|   |   | cordance with the Bail Reform Act, 18 U.S.C. § 3142(f), a detention hearing has been held. I conclude that the following facts require the of the defendant pending trial in this case.  |  |  |  |  |  |
|   |   | Part I—Findings of Fact  |  |  |  |  |  |
|   | 1)  | The defendant is charged with an offense described in 18 U.S.C. § 3142(f)(1) and has been convicted of a   |  |  |  |  |  |
|   | 3)  | a felony that was committed after the defendant had been convicted of two or more prior federal offenses described in 18 U.S.C. § 3142(f)(1)(A)-(C), or comparable state or local offenses.  The offense described in finding (1) was committed while the defendant was on release pending trial for a federal, state or local offense. A period of not more than five years has elapsed since the date of conviction release of the defendant from imprisonment for the offense described in finding (1).  Findings Nos. (1), (2) and (3) establish a rebuttable presumption that no condition or combination of conditions will reasonably assure the safety of (an) other person(s) and the community. I further find that the defendant has not rebutted this presumption. |  |  |  |  |  |
| Alternative Findings (A)  |   |  |  |  |  |  |  |
| (1) There is probable cause to believe that the defendant has committed an offense for which a maximum term of imprisonment of ten years or more is prescribed in |   |  |  |  |  |  |  |

|   |   | Alternative Findings (B)   |  |  |  |  |  |
| (   | 1)  | There is a serious risk that the defendant will not appear.  |  |  |  |  |  |
| (   | 2)  | There is a serious risk that the defendant will endanger the safety of another person or the community.  |  |  |  |  |  |

US or legally in this country. The evidence also shows that defendant was deported in 2007. Defendant has prior convictions for driving offenses for offensive touching and eivil contempt. He presently has a number of matters pending in the DE state court for malicious mischief by a motor vehicle, failure to report an accident, leaving the scene of an accident, reckless driving and driving while license suspended, unauthorized use of vehicle without consent, DUI, failure to answer summons, failure to have insurance. The failure to answer summons and leaving the scene of an accident charges suggests independent of defendant's noncontesting detention that he would be a risk of non-appearance. Further, the fact that defendant was found VOP for the offensive touching conviction indicates that he does not abide by court orders. Therefore, the court finds that there are no conditions or combination thereof that will reasonably assure defendant's appearance as required.
